www.jerfsapartnership.org

Racing to Save the Environment
Empower a Cleaner Brighter Future

SUPPORT THE ENVIRONMENT

IMPACT OUR NEXT GENERATION OF STUDENTS

SPONSOR OUR 2025

5K GREEN RUN & 1MI NATURE RUN

Your sponsorship of the **2025 5K Green Run/Walk** and **1 Mile Nature Run/Walk** supports education and the environment. It supports 9th - 12th grade students in the Jupiter Environmental Research & Field Studies Academy (JERFSA); a public school choice program open to all students in Palm Beach County and located at Jupiter Community High School. The JERFSA Academy equips high school students with the knowledge to become more responsible stewards of our planet and leaders in the environmental sciences.

The Academy provides over 75 field experiences cooperating with many important stake holders including the: Loxahatchee River Environmental Control District, Environment Resource Management, Busch Wildlife Sanctuary, MacArthur and Jonathan Dickinson State Park, Palm Beach County Parks & Recreation, Loxahatchee Preserve Nature Center, and U.S. Bureau of Land Management. Students' participation often involves giving back to the community by assisting to help with many of these organizations' initiatives. Additionally, JERFSA has an Environmental Outreach Program which connects with elementary and middle schools to present environmental issues and provide awareness.

Funds for JERFSA are solely provided by parents, student fundraising, and assistance from the Partnership for Environmental Education. Operational costs including transportation fees continue to rise steeply. Money raised from the **2025 5K Green Run & 1 Mile Nature Run** will help **JERFSA** by supporting:

- Field Study transportation fees
- Instructional materials & equipment
- Research expenses
- Boat & trailer expenses
- Electric Bus Fund

Become a much needed **SPONSOR FOR THE 2025 5K GREEN RUN** and **1 MILE NATURE RUN!** This event supports a number of great causes, advertises your business, and can provide your employees a team building opportunity to participate in the race. Sponsorship benefits provide many areas of recognition. Protecting Sponsors receive: Race Day recognition & speaking rights, the opportunity to be a packet pick-up host site, advertising on all printed materials (rack card, posters, banners), a prominent exhibit space, a paver with business name & logo installed in JHS' outdoor wetlands laboratory, their logo largely placed on the back of the race shirt, rights to display a business banner on JHS' campus, the opportunity to share promotional materials, race participant entries, and advertising on all emails and websites generated for the **2025 Green Run**. Please see the sponsorship level page for more details.

We look forward to partnering with you in the **2025 Green Run** - our 14th YEAR OF THIS EVENT! In addition, please refer us to any business affiliates or organizations who might also like to participate and help support the environment, education, and the **JERFSA** Academy.

If you have any questions, please email us at greenrunsponsor@gmail.com and we will be happy to assist you. Thank you very much for your support.

Gratefully,

Partnership for Environmental Education
